Follow the Mass Pike (I-90) to Exit 13, Natick. After the tollbooth, bear left onto Route 30 East. Continue on Route 30, past Route 27, to Oak Street. Turn right onto Oak Street and proceed to Route 9. Turn right onto Route 9 West and continue approximately 1.3 miles to the top of the hill. Take your first right after the Fairway Bowling Alley onto Vision Drive. We are located 500 feet ahead on the right.

## FROM THE EAST (use Route 9):

Follow Route 9 West to Natick. Go straight through the lights at Oak Street and continue 1.3 miles to the top of the hill. Take your first right after the Fairway Bowling Alley onto Vision Drive. We are located 500 feet ahead on the right.

## FROM THE WEST (use Route 9):

Follow Route 9 East. Because Route 9 is divided, you will need to proceed past our building and reverse direction at the Oak Street traffic light, immediately after Scrub-A-Dub. To make the U-turn, you will first bear right, then circle around to the left onto Route 9 West. Continue West on Route 9 for approximately 1.3 miles to the top of the hill.
